- Academic Angler's Kid's fishing Clinic
- Indian River Lagoon Adventures website
- Zoo Explorer's Spring Break Camp
- Coastal Charity's "Get Kids Out" Adventures

Tournament Proceeds

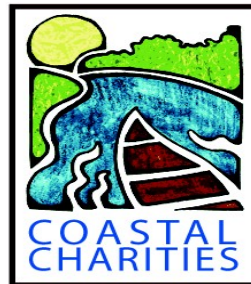

Zoo Explorer's Spring Break Camp

Through a close relationship with the education staff at Brevard Zoo, Coastal Charities created a fully funded, week long Spring Break camp for Junior High students in 2011 where counselors will slip science and math skills as the the explorers walk with animals, kayak, go dip netting, and other planned activities.

Full scholarships will be made available through Coastal Charities for all 15 campers drawn from a Zoo program for students at state recognized low income, Title 1 schools.

Coastal Charities "Get Kids Out"

Through a program targeted to enrich the lives of troubled youth, participants will paddle around the Mosquito Lagoon. A trained naturalist will guide the children through pristine areas where they may encounter manatee, dolphin, pelican, osprey, eagle, roseate spoonbill and possibly sea turtles !

**INDIAN RIVER
LAGOON ADVENTURES**

Visit Lagoonadventures.org to learn about exciting venues to take the family to this summer and plan one-of-a-kind adventures. Lagoonadventures.org and the associated national campaign of "No Child Left Inside" is aimed at getting families outside exploring nature.

Provide Sponsorships for Academic Angler's, 2 day Kid's Fishing Clinic

<http://www.academicangler.com/kidsclinic2/kidsclinic2/index.htm>

As part of an effort to "Get more children fishing" the Academic Anglers Fishing Team have teamed with businesses, organizations and volunteers from Florida, Michigan and Virginia to provide several fishing opportunities for children ages 8 to 16. Each event provides a day of fishing fun for several hundred kids and their families. The children fishing these events receive a colorful Academic Anglers cap and tee-shirt and they can keep the rod and reel they're given at the end of the event!
