1. **PARTICIPATION AND ELIGIBILITY.** Participation is open to anyone 18 years of age or older. Minors are eligible to participate with a parent or legal guardian signature on the release form. A completed entry form, waiver, and entry fee must be received no later than the published entry date. Entry fee includes rights to fish, post-tournament meal, 2 raffle tickets, t-shirt, and captain's bag.

2. **PRE-REGISTRATION AND CAPTAINS MEETING.** Each contestant must pre-register and pay by August 1st, 2009 to avoid late fee of \$15. Registration will be open through the Captain's Meeting at 6:30pm, Friday, September 11th, 2009 at the Melbourne Strike Zone. Attendance at the Captain's Meeting is **MANDATORY** for all contestants. If a contestant is unable to attend the Captain's Meeting they must prearrange eligibility with Coastal Charities prior to being allowed to participate. Uniform measuring devices and unique tokens will be distributed at the Captain's Meeting. Fishing begins at sunrise Saturday, September 12th, 2009.

3. **SAFETY.** Safe boating must be observed at all times. During competition each contestant is required to comply with US Coast Guard regulations including the possession of a PFD and sounding device. All USCG and FWC regulations are in effect at all times.

4. **CHECK IN.** Check-in will begin at 1pm at The **Brevard Zoo**, Melbourne, FL located at 8225 N Wickham Rd, Melbourne, FL 32940. All competitors must check-in with their cameras by 4pm to be eligible for fishing prizes. At check in you must indicate whether or not you are submitting your camera for review and fill out a scoring sheet. The post-tournament banquet, raffles, and awards ceremonies will begin at 4:00pm.

5. **SPORTSMANSHIP.** All contestants are required to follow high standards of sportsmanship, courtesy, and conservation. No alcoholic beverages or use of illegal drugs is allowed. Any use of drugs, participation in criminal activities, or other conduct reflecting unfavorably upon our efforts to promote safety, sportsmanship, fair competition, and/or compliance with tournament rules are grounds for immediate disqualification and return of any prizes awarded.

6. **PERMITTED FISHING METHODS.** All fish must be caught via hook and line. The selection of baits is up to the discretion of the participant unless they are in the fly-only division. All fish must be caught from the kayak. No wade fishing or shore fishing is permitted unless the kayak is tethered to the angler.

7. **NO MOTORS.** The use of a boat or motorized water vehicle to transport your boat on the water is prohibited. All craft must be self-propelled – no engines are allowed. Canoes and paddle vessels designed to be paddled (not powered by motor) are permitted.

8. **FISHING LOCATIONS.** Any inshore location is permitted, including locations in Volusia, Brevard and Indian River counties. This includes the St. Johns River, Intracoastal Waterway, and associated creeks and waters. No fishing in the ocean is allowed, including jetties and inlets. Specifically you must be south west of the Volusia Coast Guard Station on the Intercoastal Waterway, west of the Cape Canaveral Lock System, North West of 17th St Bridge, Vero Beach FL. All fishing locations must be in waters accessible according to the law, USCG, and FWC regulations

9. **OTHER.** During competition contestants may not obtain or receive assistance including but not limited to following a non-competitor's boat, the placing of markers by a non-competitor, being towed or riding motorized vessels, or receiving electronic, voice, or data communications from non-competitors.

10. **SCORING.** The event uses catch-photo-release scoring determined by the length of each fish, combined in the case of slam and individually for each class. Each angler will be issued a uniform measuring device and unique scoring marker/token at the Captain's Meeting. The first photo on the camera must be of your rigged boat as put in at launch with measuring device and scoring marker visible. Fish must be photographed in or on the boat, on the provided measure, clearly showing the length of the fish with the scoring marker visible. More than one photo

of a fish may be taken. Length is determined from the forward-most point of the fish to the natural top of the tail. Fish must be above FWC minimums to count - reds may be above the slot limit. The maximum fish size is 45, the length of the fish measuring stick. In the event of a tie the entry checked in earliest will be declared the winner. The judging committee will review the photos to verify reported results and determine place winners. The tournament director is responsible for the final call in all matters.

11. DIGITAL PHOTOGRAPHY. Participants may only use digital cameras for recording scoring fish. Entrants must bring the storage chip from their camera to check-in or bring the download cable for their camera so that pictures may be retrieved. Cameras may be shared - in the event of camera sharing both entrants' kayaks at launch must be initially on the roll, and each entrant will use a different unique scoring token as directed at the captains meeting, both in the launch picture and the fish scoring pictures. In the scoring fish pictures the appropriate entrant's kayak must also be in the picture.

12. TANDEMS/SHARING. It is permissible for more than one entrant to share the same paddle vessel. Each paddler must be a registered participant and is scored separately. Fish may NEVER be shared among entrants. If more than one person is in a tandem both must be registered anglers - use of an extra person strictly as a paddler/motor is forbidden.

13. PROTEST. All protests must be made in writing and delivered to a tournament official within 30 minutes of the check-in time. The tournament director is the final authority in all considerations.

14. RELEASE OF LIABILITY AND COVENANT NOT TO SUE. A waiver, release of liability, and covenant not to sue are part of the entry form. It is required that all contestants take responsibility for themselves while participating in event activities.

15. PHOTO RELEASE. Scoring photos remain the sole ownership of Coastal Charities, Inc. to be used at their discretion. Contestants grant Coastal Charities and the sponsors the unconditional right to use their name, voice, photographic likeness and biographical information in connection with Coastal Charities tournaments, production, promotion, and/or articles and press releases, and shall not be entitled to receive any royalties or other compensation in connection with such use.

16. RULE CHANGES. Rules interpretation is exclusively left to the Tournament Director. The decisions of the Tournament Director are final in all matters and are not subject to appeal.

17. PRIZE STRUCTURE. For the September, 12th 2009 Tournament prizes are trophies and equipment/gifts. Contestants are eligible for only one of the class prizes but remain eligible for all raffled prizes.
